New Communion's
Inaugural
Banquet

Since 2016, New Communion and its partners have fed more than 19,000 food insecure in Forsyth County. Join us in a celebration of its successes as we hear the story of New Communion, the community we are called to serve, and some of our staff. It serves as a fundraising event where faith communities, businesses, and supporters can convene to discuss current issues and be inspired for the work yet to be done.

Tickets
\$60

Our Keynote Speaker is Reverend Dr. Darryl Warren Aaron of Providence Baptist Church in Greensboro, North Carolina. He has been an inspirational conversation partner in our continued growth.
